SHERIFF ALEXANDER B. GRAY DIED EARLY THIS MORNING

Suffered from Spinal Meningitis and Ill But a Very Short Time

WAS A POPULAR OFFICIAL

Sheriff Alexander B. Gray, aged 36 years, died at 12:50 o'clock this morning at the sheriff's residence, Washington, following an illness of about 30 hours.

On Monday Sheriff Gray underwent what was considered to be a slight operation at the City hospital, Washington, and on Tuesday afternoon walked from that institution to his home at the Sheriff's residence. In the evening he announced he was not feeling well and went upstairs to his room.

About 7 o'clock he became violently ill and lost consciousness. Physicians were summoned and spent the night at his bedside. His illness was diagnosed as spinal meningitis and in an effort to check its progress the serum treatment was resorted to, but failed to bring any change in his condition. He never regained consciousness.

Members of his family and immediate relatives were summoned to his bedside on Wednesday, as attending physicians said he had but slight chances of recovery.

Sheriff Gray was one of the most prominent of the younger men of Washington county. Previous to becoming active in public life, he was nationally famous as a gridiron star at Penn State, and during the World War served in the aviation service in the United States Army and was on duty overseas.

While the illness which caused his death was sudden and his demise comes as a shock to the entire county Sheriff Gray had not enjoyed the best of health for the last year. During the winter of 1919 he suffered a severe attack of influenza and was confined to his home for several weeks. The disease caused an infection of the frontal sinuses. Several operations were necessary because of this and on Monday he went to the hospital at Washington for another such operation.

Mr. Gray was a native of Washington county, the son of Alexander and Belle Coulson Gray. He was born at Courtney, and attended the common schools there as well as at Roscoe, which later became the location of the family home. He worked in the mines for a number of years, and when a young man entered the Normal school at California. While there he became interested in athletics, and was a member of the football and baseball teams. He did not graduate from that institution, but after being there for two years, entered Grove City for the spring term in 1906. From there he went to State College, from which institution he graduated in 1911. While at State he was an outstanding figure in football, and one season was Captain of the team.

After graduating from State he was appointed by Gov John K. Tener

ALEXANDER B. GRAY

to a position in the State Highway Department. He had charge of the highways in Washington, Greene and Fayette counties. After leaving the state highway department he was employed for a time in the engineering department of the county.

During the world war he was commissioned a lieutenant in the aviation service and for a time was in charge of a squad in New York city, and later sent to England, where he served several months.

In 1919 at the solicitation of many friends he became a candidate for the Republican nomination for Sheriff. In the subsequent campaign he was nominated over Charles Miller of Reidsville, and at the November election was chosen to that responsible position. He took office the first Monday in January, 1920.

In the little more than one year in which he served he proved a capable and efficient officer, and kept in close touch with the affairs in which he was directly concerned. He was likewise a popular official and made hundreds of friends by his courteous and considerate attention to details.

He is survived by his father and mother, four sisters. Mrs. George Murray of Brownsville; Miss Jennie Gray a teacher in the Donora schools and Miss Alice, who lived at the sheriff's residence and Isabelle at home; and five brothers, William Gray at VanVoorhies; Joseph Gray of Roscoe; Basil Gray, a student at Kiskiminetas; John Gray of Roscoe and James Gray a student in the Charleroi High school.

Fraternally, Mr. Gray was a member of Fayette City Lodge, F. & A. M., the Consistory, (thirty-second degree) at Coudersport, Pa. and Syria Temple, A. A. O. N. M. S. of Pittsburg and Charleroi Lodge, No. 494, B. P. O. E.

Funeral Services For Sheriff Gray
Funeral services for Alexander B. Gray will be held Saturday afternoon at one o'clock in the rotunda of the jail, in charge of Rev. William E. Slemmons, pastor of the First Presbyterian church of Washington. Then the body will be brought to the home of Mr. Gray's parents at Roscoe and funeral services held Sunday afternoon at 2 o'clock, with interment in Howe cemetery.

Will Test Validity of the Maximum Weight Law

Four cases brought by E. J. Morisity, road inspector for the State Highway Department, under the new law against overloading trucks, were taken up in court at Washington on Wednesday. The validity and constitutionality of the law is brought into question and under instructions from the court, a verdict of guilty was brought in by the jury in all cases, depending upon whether or not the law in question is constitutional. The constitutionality of these cases will be argued before the court at a later date.

There were three defendants in these cases, A. E. Sphar of Belle Vernon, and Philip Totira and T. J.

Crombie, both of Charleroi. Sphar is charged with having a truck, the maximum carrying weight of which as given by the manufacturer, was 9,150 pounds, loaded with a weight of 10,300 pounds. Totira's truck had a maximum weight of 11,600 pounds given by the manufacturer, but he is charged with loading it up to 14,000 pounds. Crombie is charged with overloading his truck by 1,450 pounds. In addition to this the latter is charged with failure to have the maximum weight of his truck painted on the side in letters at least three inches high. These alleged offenses were committed in Charleroi last November.

TWO SISTERS WERE ATTACKED BY DOG

Misses Martha and Sara Edwards, who live at Roscoe, each had a thrilling experience with a mongrel pup. Miss Martha on Tuesday evening and Miss Sara on Wednesday morning.

Martha Edwards, who is employed at the Fau dry goods store in Charleroi, was attacked Tuesday evening by the dog and in the excitement incidental to the attack she fell and broke a bone in her ankle.

The following morning Miss Sara was attacked by the same dog, and bitten on the ear, breast and arm before the animal could be driven away. A short time later it is said the dog died.

Dr. L. G. Lutes was called and attended the injuries of both ladies. Miss Sara, however, was sent to a Pittsburg hospital for treatment, while the head of the animal was taken by the physician to be sent to a Pasteur institute for examination.

QUETLY MARRIED ON WEDNESDAY, THE 9TH

Announcement has just been made of the marriage of Miss Esthey Allison, nurse at the Pittsburg Steel plant in Monessen and William Jennings Richey, a well known young man of Charleroi. The young couple were married at Washington on Wednesday, the 9th inst. They expect to go to housekeeping on a farm near New Lisbon, Ohio, in the near future. The bride is a graduate of the Bradock hospital and during the war saw service overseas as an army nurse.

ANOTHER BARROOM CLOSED TO THE PUBLIC

The barroom of the Lafayette Hotel in Uniontown was closed permanently to the public on Saturday last, and work of remodeling it into a business place was begun on Monday.

It is just beginning to soak in on some of the league fans that the truest friends of peace were the stoutest critics of the Versailles Treaty, including the "covenant."

The League of Nations has gone home, but the supreme council is still doing business at the old stand in Paris.

NEW FEATURES IN SHERIFF'S OFFICE

According to the law of the commonwealth, owing to the death of Sheriff Gray, the Coroner of the county, William Greenlee will become acting Sheriff until a successor has been appointed.

Officially Washington county has passed the 150,000 mark in population, and under the law it will make many changes in the office of Sheriff. The Governor will make the appointment and the incumbent will serve until a successor is elected at the next general election, which will be next fall. While the coming election is called a municipal election, it has also been decided that it is general. The Sheriff to be appointed and to be elected will be a county official and will be paid a straight salary, fees having been abolished in counties of this class.

A prison board will also be formed, composed of the Sheriff, County Commissioners and Controller, who will elect a Warden, who will have charge of the jail and prisoners, and who will appoint his own deputies. The Sheriff will attend only to the executive duties of the office.

CHARLEROI WINS OVER ELLSWORTH

Charleroi defeated the Ellsworth basket ball team last evening in a game on the H. T. A. C. floor by a score of 30 to 19. Ellsworth proved to be a good team of passers, but their shooting was poor, while the Charleroi team put up its usual fine game, both at passing and shooting baskets from the field. A large crowd was in attendance. Lineup:

Charleroi—30 Ellsworth—19

A new Rotary Club was organized at Brownsville on Monday, the work of installation being in charge of Dr. Richard, Aspinwall district Deputy of Buchanan, W. Va. Twelve members from the Washington Rotary Club were present and took part in the work. Representatives were present from Pittsburg, Uniontown, New Castle and Morgantown.

P. H. C. DEGREE TEAM VISITS DONORA

The Ladies' Banner Degree Team, of Charleroi Circle 303 P. H. C. accompanied by about thirty members, paid a fraternal visit to Donora Circle last evening.

The team though handicapped by the absence of several of the regular members acquitted themselves nobly. With the aid of substitutes the work connected with the degree of protection was realistic as well as impressive.

Ten candidates were received into full membership, which puts the Donora Circle near the 200 mark.

A very commendable feature during the business session showing a marked degree of citizenship was the adoption of resolution whereby the Circle holds a membership in the newly organized Chamber of Commerce of that city, extending to a term of three years at \$75.00 with the first year's dues of \$25.00, paid in advance.

At a subsequent meeting a member of the Circle will be delegated to represent the Circle's interest in the Chamber of Commerce.

A Box Social was held by the Ladies of the Circle for the benefit of the social committee and proved a pleasing feature as well as a financial benefit. The boxes, were sold to the highest bidder and was spirited as well as competitive.

Music, dancing and a good social time concluded the evening's pleasures. A feature of the program was several vocal solos rendered by Arthur Winstone of Monessen, one of the newly elected members.

The next social feature of Charleroi Circle is a proposed St. Patrick's Social to be given as a benefit for the degree team.

LADIES AID HOLD REGULAR MEETING

The regular monthly meeting of the Ladies Aid Society of the Methodist Episcopal church was held in the church Wednesday evening, when the business of the society was brought before the members and matters of importance were discussed by the President, Mrs. W. A. Watterson. Members of the Aid Society and friends have been entertaining at afternoon teas and had collected \$179.35. It was decided by the Society not to have any more afternoon teas until after the series of meetings which will begin Sunday evening.

Thieves Get Away With About \$1,500 Worth of Goods

NO CLUE TO PERPETRATORS

Police of Monongahela are scouring this section of the county in an effort to discover some clue that will lead to the apprehension of robbers who on Tuesday night looted the McGregor clothing store on Main street of that town of approximately \$1,500 worth of goods.

The robbery is believed to have been perpetrated about 3 o'clock Wednesday morning, although the theft was not discovered until the store was opened for business at the usual hour yesterday morning.

According to William McGregor, the robbers secured 21 suits, five suit cases, five traveling bags, and a quantity of furnishings for men. An automobile is believed to have been used in hauling the loot from the store.

Officers investigating stated that Mrs. Edward Brown, who lives near the scene of the robbery, heard an automobile stop in front of her residence about 3 o'clock in the morning. This is thought to have been the machine used by the bandits in making away with their booty. She did not pay any attention to the car stopping in that section, as many are parked there at various hours of the night.

Entrance to the McGregor store was gained from the rear. The robbers are believed to have packed the clothing in suit cases and traveling bags and then when the way was clear to have placed them in the automobile and made their get-away.

While it must have required some time for the robbers to get away with their plunder, they accomplished it without attracting attention of the police or any passer-by. The police are of the opinion that the robbery was the work of Pittsburgh thieves, who sell their loot in that city.

HEAVY TOLL IS LEVIED BY DEATH

Death has played a strong hand in the affairs of Washington county during the past year, no less than eight officials having been taken during that time.

The first of these eight to pass away was C. H. W. Fergus, an assistant district attorney, followed in turn by John McMurray, superintendent of the county home; Harold F. Wickerham, deputy sheriff; W. E. Lane, director of the poor; Arthur Sanders, deputy Controller; John Morgan, deputy County Treasurer; Grover C. Zelt, deputy Sealer of Weights and Measures and Alexander B. Gray, Sheriff.

THE CITIZEN'S "CASTLE."

The original purpose of prohibition with the majority of its advocates was merely to abolish the saloon and stop the sale of liquor in other ways. Accordingly, when the Volstead act was before Congress two years ago, the moderates opposed the invasion of the privacy of the home which was tacitly authorized by the original draft of the bill, and the protest continued until there was written into the law an explicit provision that no warrant should be issued for the forcible entry of the citizen's "castle" except upon affidavit that the premises were employed for the illicit sale of intoxicating beverages. Now it is proposed to "tighten up" the Volstead law by eliminating or altering this provision, but the movement is expected to encounter the same opposition which was effective two years ago. Indeed, it is said that the "tightening" likely to take place will be an improvement of the clause protecting the citizen in his home so that it can not be misunderstood or evaded, instead of the removal of the clause itself with a view to make prohibition more drastic.

In this prediction, however, the wish may be father to the thought. It is quite possible that the law may be made more drastic, providing for a house to house inspection with a view to put an end to home brewing even for domestic use only. But in that case the energies and resources of the government will be taxed to the utmost, for even to secure a measure of success would require frequent search of every home. And it is obvious that one of the consequences would be a bitter resentment against the governing powers cherished by at least a half of the population of this country.

MONESSEN BOARD OF TRADE BANQUET

The seventh annual banquet of the Board of Trade of Monessen will be held Wednesday evening, March 2, at which time the state of the evening will be Dr. Preston Bradley, of Chicago, one of the nation's renowned public men, who will speak on the subject, "The United States of Tomorrow." He is said to be a great speaker with a splendid message. Douglas MacLeck of Chicago, will be the humorist of the evening. The speaker from Westmoreland county will be the Hon. Charles D. Copeland of Greensburg.

Last year, at the annual meeting and banquet of this organization the speakers were Congressman Thomas S. Crago of Waynesburg, and Senator Harding of Ohio. When L. X. Fly introduced Senator Harding to the assembled guests on that memorable evening, he said that the Senator would be the next President of the United States. Mr. Fly may not be a prophet of the son of the prophet, but he made an awful good guess on that special occasion. For Senator Harding is now President-elect of the United States, and will be inaugurated on the 4th day of March.

DONORA C. OF C. MAKING PROGRESS

The campaign for Donora's Chamber of Commerce is progressing nicely, over one hundred subscriptions to membership being received on Monday and a like number on Tuesday. Mr. Alspach, who is in charge of the campaign, says he expects the campaign to go over the top by Thursday afternoon, and that before solicitation is at an end that at least 400 members will have enrolled in the new organization. Mr. Alspach is highly pleased with the way the campaign is progressing.

It may be that Monongahela will also stage a campaign for a Chamber of Commerce. Sherrard Ewing, manager of the Eastern District of the American City Bureau, is to address a meeting of the Community Club in that city Friday evening at the Hotel Main. A dinner will be given by the club, at which time a number of invited guests will be present to hear Mr. Ewing outline the plans and policies of the Bureau. The prospects are that a campaign will be placed under way within a short time.

OLD STEAMER IS BEING RECONSTRUCTED

The Water Transport Company of Pittsburgh, which is having the steamer Valiant rebuilt at the Elizabeth Marine Ways, will install new machinery on the boat. The machinery will be of the compound type, 16 x 28x8. It is expected the boat will be launched about the latter part of next month. The Valiant was owned by the Pittsburgh Coal Company for many years.

FOUR DOCTORS GAVE HER UP

Through a Neighbor's Advice This Woman Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Kenosha, Wis.—"I suffered with a female trouble and at last was in bed for six weeks with what the doctors called inflammation of the bowels. Four of them said I could not live. A neighbor told me to use Lydia E. Pinkham's Vegetable Compound and it helped me from the start. When the doctor came I told him what I had taken and he said, 'Throw away your medicine and keep on with the Pinkham medicine.' I did and it cured me. If more women would take your medicine they would not suffer so. I have recommended the Vegetable Compound to lots of people and they have been satisfied." — Mrs. MARY RHAPSTOCK, 2701 Wisconsin St., Kenosha, Wisconsin.

When a woman is beset with such symptoms as irregularities, inflammation, ulceration, a displacement, backache, headaches, bearing-down pains, nervousness or the "blues" she should treat the cause of such conditions by taking Lydia E. Pinkham's Vegetable Compound, the standard remedy for woman's ills.

MOTHERS! GET FREE JARS OF TURPO FOR CHILDREN'S COLDS

Local Druggists Giving Away 30c Jars of Turpo Free—the New Remedy for Cold Troubles.

Mothers with small children are especially invited to take advantage of this offer of free jars of Turpo—the Turpentine Ointment for the treatment of colds. Turpo is made of distilled Turpentine, Camphor and Menthol, in salve or ointment form. These old-fashioned remedies have long been known for their value in the treatment of coughs, colds, inflammation, congestion and similar ills.

Colds are best treated at the very beginning, because then they are prevented from developing into serious illness. The way to stop a cold, especially in children, is to apply Turpo up the nostrils at the first sign of sneezing or running nose. This clears the air passages, stops the discharge and aborts the cold at the very root. Even if the cold has developed, Turpo will give immediate relief. Applied on the chest and neck, and rubbed in well,

it penetrates under the surface, and relieves the inflammation, drives out the congestion, and has a soothing, healing effect.

Turpo is also of great value as an antiseptic application for cuts and wounds. It has many uses. Doctors and druggists recommend it. If you will present this coupon at your drug store you will receive a 30c jar of Turpo free as long as the supply lasts. Be sure and get your jar today.

Spring Sale

of Bawmon BRAND Dresses

With the Four Famous Features
They fit all women perfectly

Here It Is! Our Ever-Welcome FEBRUARY SALE of House Dresses

A Complete Display of All the New Spring Styles in a vast variety of Models of Unusual Charm

Just button two buttons and the dress conforms with any type of figure and fits perfectly at every point.

Just pull a thread and the skirt is lengthened. No ripping or restitching of seams necessary for this alteration

Never before have we presented to our patrons a more attractive collection of Dresses than these, and it is quite unnecessary to explain in detail, the merits of these dresses which are nation-wide celebrated because of the faultless fit, their Famous Features, their fineness of quality, and superb style.

The announcement of this Sale's start will call forth a tremendous attendance of women eager to purchase these Dresses of acknowledged and proven superiority.

Here are the Four Famous Features Found in These Dresses

Under Arm Shields that provide double service at points where all dresses show first signs of wearing out.

Two pieces of dress material attached to each dress. Ready for neat mending purposes in the event of rip, tear or wear.

Most Welcome of All--Is the Moderate Pricing of the Dresses on a Basis of Pre-War Standards

By delaying in the purchase of these dresses until the market reached its lowest level, we bought to the greatest advantage and now offer to our patrons, values of unusual character, which may truly be said to rival those of pre-war days. Nothing but a personal inspection of the garments can convey a true understanding of their quality and value.
